

Wild Winter

At the Grizzly and Wolf Discovery

Join us for fun and educational 30-minute hands-on activities for kids K-6

November 23rd-28th at 1:00 PM

Meet in our theater!

Please note: November 24th and 26th will not have a scheduled activity. Come in at any time and participate in our scavenger hunt! (Activities free with paid admission)

November 23rd—Web of Life

Discover how living things in Yellowstone are connected to one another.

November 24th— GWDC Scavenger Hunt

Explore and learn at the Grizzly and Wolf Discovery Center. Finish the hunt for a fabulous prize!

November 25th—Owl Pellets

What do owls eat during the holidays?
Come to the GWDC to find out!

November 26th— GWDC Scavenger Hunt

Explore and learn at the Grizzly and Wolf Discovery Center. Finish the hunt for a fabulous prize!

November 27th—Wolves & Bears & Elk, Oh My!

Every animal in Yellowstone needs four main things to survive. What are they? Join us to find out!

November 28th—Produce a Predator

It's tough to survive our long winters. Create your own winter-ready predator.
