

Wild Winter

At the Grizzly & Wolf Discovery Center

Join us for fun and educational
30-minute hands-on activities for kids K-6
November 22—27 at 1:00 P.M.

Meet in our theater!

*All activities are free with paid admission.
All Children must be accompanied by an adult.*

Please note: For November 24, there is not a scheduled activity,
but come in any time on that day
to participate in our scavenger hunt!

November 22—Ready, Set, Snow!

Discover how people and animals prepare and adapt for winter.
Then draw your own pictures to show how they adapt.

November 23— Web of Life

Discover how living things in Yellowstone are connected to one another.

November 24— GWDC Scavenger Hunt

Explore and learn at the Grizzly & Wolf Discovery Center.
Finish the hunt and receive a fabulous prize!

November 25— Wolves & Bears & Elk, Oh My!

Every animal in Yellowstone needs four main things to survive.
What are they? Join us to find out!

November 26— Owl Pellets

What do owls eat during the holidays?
Dissect an owl pellet to find out!

November 27—Produce a Predator

It's tough to survive our long winters.
Create your own winter-ready predator.
